ABOUT MUSICATICS INTERNATIONAL

Established 2018: Pioneering Western Music Education in India:

Musicatics International, founded in 2018, has embarked on a mission to elevate Western Music Education in India to international standards. Our vision is to transform India into a global hub for comprehensive music education.

Bridging Knowledge and Excellence:

With over 25 years of dedicated research and collaboration with various international boards, our core philosophy is to seamlessly connect educators, music professionals, and students. We believe in fostering an environment where knowledge and passion for music are shared and celebrated.

Exceptional Global Educators: Qualified and Trained:

At the heart of our success are our highly qualified and trained teachers. We are continually expanding our network, bringing more dedicated and skilled educators from around the world into our community. This commitment ensures the highest quality of music education for our students.

Innovative Approach: 15 Grades of Musical Mastery:

As a trailblazer in India's music education landscape, we offer a meticulously structured program that spans 15 grades. This progressive curriculum is tailored to ensure a holistic and in-depth musical journey, catering to every level from beginner to professional.

Global Expansion:

Spreading Wings Beyond India In 2022 and 2023, Musicatics International proudly expanded its reach beyond India, marking a significant milestone in our journey. Our global footprint reflects our commitment to bringing quality music education to diverse communities worldwide.

End-to-End Music Education Platform:

Our comprehensive platform offers end-to-end solutions in music education, from fundamental learning to advanced certification. We strive to provide an enriching and accessible learning experience for all music enthusiasts.

Nurturing the Future of Music:

At Musicatics International, we take pride in nurturing the talents of tomorrow. Join us in our endeavor to create a vibrant, global community of musicians and music lovers, united by our shared passion for excellence in music.

MUSIC CRAFTS GREAT LEADERS AND PERSONALITIES

“If I were not a physicist, I would probably be a musician. I often think in music. I live my daydreams in music. I see my life in terms of music”

Albert Einstein

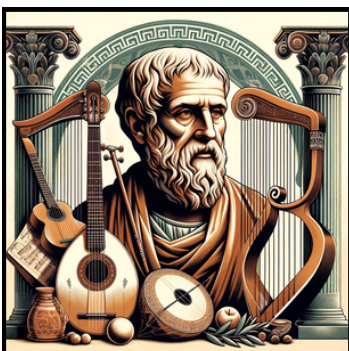

“Music can become a medium of national development, for great music not only acts as a pain-remover but also has a social responsibility”

A P J Abdul Kalam

The Queen's education was comprehensive and tailored to prepare her for her future role, and music was one aspect of this well-rounded educational approach.

Queen Elizabeth II

“Music is a moral law. It gives soul to the universe, wings to the mind, flight to the imagination, and charm and gaiety to life and to everything”

Plato

EDUCATIONAL PATHWAYS & CAREERS IN MUSIC

EDUCATIONAL PATHWAYS IN MUSIC

From Pre-KG to Ph.D.

Integrating Musicatics as a Primary Component

- **School Program:** Introducing Musicatics at the school level lays a strong foundation in music education. Students engage with core concepts of Western music, from basic notation to complex rhythmic structures, setting the stage for future academic pursuits.
- **Undergraduate Programs:** Focus on performance, music theory, and music education. Notable degrees include Bachelor of Music (BM), Bachelor of Arts (BA) in Music, and Bachelor of Science (BS) in Music Technology.
- **Postgraduate Programs:** Advanced study in performance, composition, or musicology. Includes Master of Music (MM), Master of Arts (MA) in Music, Doctor of Musical Arts (DMA), and Ph.D. in Music.

CAREER OPPORTUNITIES IN MUSIC INDUSTRY

- Performance Artist
- Music Director
- Conductor/Arranger
- Audio Engineer
- Composer/Songwriter
- Music Critic/Journalist
- Music Producer
- Music Teacher/Educator
- Music Licensing and Rights Manager
- Music Therapist

MUSICATICS INTERNATIONAL

BENEFITS OF MUSIC EDUCATION

- **Comprehensive Educational Enhancement:**

The adoption of Musicatics enriches the overall academic experience, extending beyond a mere addition of a subject to a multifaceted educational opportunity.

- **Holistic Development Investment:**

This program represents an investment in the future of students, focusing on their comprehensive growth as well-rounded, culturally aware, and intellectually stimulated individuals.

- **Beyond Traditional Education:** It transcends conventional teaching methods, emphasizing the development of emotional, social, and intellectual well-being.

- **Enhanced Brain Function and Cognitive Development:** The program specifically aids in improving brain function and cognitive development, essential for academic and personal growth.

- **Improved Memory and Academic Performance:** Students involved in Musicatics show enhanced memory capabilities and better academic performance.

- **Development of Empathy and Social Skills:** The curriculum fosters empathy and strengthens social skills, making students more intelligent and socially adaptable.

- **Increased Problem-Solving and Critical Thinking Skills:** Musicatics boosts students' abilities to solve problems creatively and think analytically.

- **Enhanced Communication and Presentation Skills:** It also significantly improves students' communication and presentation abilities, key skills in academic and professional settings.

- **Boost in Creativity and Emotional Well-being:** Musicatics encourages creativity and contributes significantly to the emotional well-being of students.

- **Global Perspective and Parental Pride:** Students develop a global mindset, and parents witness and take pride in their children's holistic and joyful development.
